OVERVIEW

1.1 What is MCA21? What is the objective of the MCA 21 application?

MCA21 is an e-Governance initiative of Ministry of Company Affairs (MCA), Government of India that enables an easy and secure access of the MCA services to the corporate entities, professionals and citizens of India.

The MCA21 application is designed to fully automate all processes related to the proactive enforcement and compliance of the legal requirements under the Companies Act, 1956, New Companies Act, 2013 and Limited Liability Partnership Act, 2008. This will help the business community to meet their statutory obligations.

The MCA21 application is available through is the single point of contact for all MCA related services, which can be easily accessed over the Internet by corporate entities and professionals, and citizens of India.

The MCA21 application offers the following:

- Enables the business community to register a company and file statutory documents quickly and easily.
- Provides easy access of public documents
- Helps faster and effective resolution of public grievances
- Helps registration and verification of charges easily
- Ensures proactive and effective compliance with relevant laws and corporate governance
- Enables the MCA employees to deliver best of breed services

1.2 How does the Ministry of Corporate Affairs Website help me?

To access the MCA21 application, access the URL - www.mca.gov.in. The Ministry of Corporate Affairs Home page is displayed. This page:

- Provides information about acts and rules that govern the working of Ministry of Corporate Affairs
- Allows you to access various MCA user services offered by Ministry of Corporate Affairs
- Allows you to access various reports offered by Ministry of Corporate Affairs
- Provides contact address of various offices and officials of Ministry of Corporate Affairs
- Provides links to various other Ministry and Government Agencies
1.3 How can I learn to avail the services offered by the Ministry of Corporate Affairs?

To learn to use the services offered by Ministry of Corporate Affairs, you can, click the Help & FAQs tab and:

- Read the Help on Using the MCA21 Application
- Clarify doubts by reading the FAQs

2 SELF-REGISTRATION

2.1 If I am an External Agency user, how can I get user credentials and login to the MCA21 application?

Users of organizations, such as SEBI, RBI and CBI can request the Ministry of Corporate Affairs to provide them with login credentials of an External Agency User. An External Agency User can view public documents without any charge from the www.mca.gov.in.

2.2 How can I register myself as a user of mca.gov.in?

You have to self-register in the MCA21 application available at www.mca.gov.in, to avail the MCA services like filing eForm and viewing public documents. During successful registration you are assigned an USERID and password or given an attempt to register your Digital Signature Certificate (DSC). In case you are a Company Director, or a Professional User you have to provide your DSC instead of password during registration.

You can then login to the MCA21 application with your user ID and password/DSC.

To self-register, follow the steps given below:

1. Access the MCA21 application available at www.mca.gov.in.
2. In the top-bar of the website, www.mca.gov.in, click the Register link given. The New User Registration page is displayed.
3. In the User Details section, enter your role-related details. Based on the information provided in this section, your access level is provided.
   a. In the User Category list, select the relevant option. Note: If you are not sure, which user category is applicable for you, click the What's this? link. The MCA21 User category message box is displayed that includes a brief about the user categories. Based on the option selected, the User Role field is activated.
   b. In the User Role drop-down list, select the relevant option.
• The **Registered User** category has one User Role named **Individual User**. A Registered User has access to some of the MCA services. All users under this category have a Password-based login.

• A **Business User** has access to all the MCA services. Users under this category primarily have a DSC-based login and consist of Directors, practicing members of ICSI/ICAI/ICWAI and individuals associated with companies. The **Business User** category has the following User Roles:

  o Director
  o Company User-Others
  o Practicing Professional
  o Manager/Secretary/Authorized Representative

4. In the **User Details** section, enter your personal details.

In the **Business User** category, if you select the **Director** option, a section to provide DIN and PAN details is available.

  a. In the **DIN** field, enter your approved DIN number.
  b. In the **PAN** field, enter your Income Tax PAN.

   OR

In the **Business User** category, if you select the **Company User-Others** option, a section to provide PAN details is available.

  a. In the **Income Tax PAN** field, enter you Income Tax PAN.
  b. In the **Confirm Income Tax PAN** field, re-enter you Income Tax PAN.

   OR

In the **Business User** category, if you select the **Company User-Others** option, a section to provide PAN details and professional membership details is available.

  a. In the **Income Tax PAN** field, enter you Income Tax PAN.
  b. In the **Confirm Income Tax PAN** field, re-enter you Income Tax PAN.

### The Professional Membership Details

In the CERTIFIED COPIES section, you can view the requests you placed for getting certified by copies of public documents using the Get Certified Copies user service available at http://www.mca.gov.in/.
4 DIGITAL SIGNATURE CERTIFICATE (DSC) SERVICES

4.1 Why do I need a DSC?

The Information Technology Act, 2000 has provisions to use the DSC on the documents submitted in electronic form. Using DSC ensures the security and authenticity of the documents filed electronically. As such, all filings done by the companies/LLPs under the MCA21 e-Governance programme are required to be filed using DSC by the person authorized to sign the documents. The website mca.gov.in, provides information on sources to acquire a DSC. In addition, the MCA21 application allows you to:

- Associate a DSC
- Update the registered DSC

4.2 When do I need to associate my DSC with the MCA21 application?

In case you need to sign an eForm that needs to be filed with MCA, your DSC should be associated with the MCA21 application.

4.3 How can I associate my DSC with the MCA21 application?

To register a DSC for yourself in the user role of Director, follow the steps given below:

1. Click the MCA Services tab. The list of MCA services is displayed.
2. Under the DSC Services, click the Associate DSC menu. The Associate DSC page is displayed.
3. In the Select the Role drop-down list, select the relevant option. The Associate Director’s/Designated Partner’s/Authorized Representative’s DSC page is displayed.

In the Select the Role drop-down list, if you select the Director option, a section to provide DIN is available.

a. In the DIN field, enter your approved DIN number.

OR

In the Select the Role drop-down list, if you select the Manager/Secretary option, a section to provide Income Tax PAN is available.

a. In the Income Tax PAN field, enter your Income Tax PAN.

OR

In the Select the Role drop-down list, if you select the Practicing Professional option, a section to provide Professional Membership Details is available.

a. In the Institute drop-down list, select the institute of which you are a member.
b. In the Date of enrolment field, enter your date of enrolment.
c. In the Membership Number field, enter your membership number.
d. In the Certificate of Practice Number field, enter your practice number.
In the Membership Type drop-down list, select your membership type.

Click the Next button. The page is displayed with additional fields for entering Personal Details. Enter these personal details as they appear in the Professional Institute of which you are a member.

4. In the First Name field, enter your first name. The first name and other particulars on the page are to be entered of the Director/ designated partner whose DSC is to be registered.

5. In the Middle Name field, enter your middle name.

6. In the Last Name field, enter your last name.

7. In the Date of Birth field, enter your date of birth.

8. In the Father’s First Name field, enter your father’s first name.

9. In the Father’s Middle Name field, enter your father’s middle name.

10. In the Father’s Last Name field, enter your father’s last name.

11. In the Mother’s Maiden Name field, enter your mother’s maiden name.

   Note: Mother’s maiden name refers to mothers surname used before her marriage.

12. Click the Next button. The page is displayed with additional fields.

13. In the Email id field, enter your email id.

14. In the Digital Certificate field, attach your DSC. Click the Select Certificate button to browse and select the certificate.

   Note: Please ensure that the selected DSC belongs to the applicant, whose particulars are being registered.

15. Click the I agree button to agree to the declaration that details furnished are correct.

16. Click the Submit button to register your DSC. Acknowledgement message is displayed.

#### 4.4 How can I update a registered DSC for Director, manager, secretary, CEO, CFO, practicing professional or a bank official?

To update a registered DSC before expiry date of the DSC, for Director, manager, secretary, CEO, CFO, a practicing professional or a bank official, follow the steps given below:

Note: If your DSC is expired, then you have to use the Associate DSC service to update your DSC.

1. Login to the MCA21 application.

2. Click the MCA Services tab. The list of MCA services is displayed.

3. Under the DSC Services, click the Update DSC service. The Update DSC page is displayed.

4. Click the link Update DSC for Business users.

5. Enter the name for whom the DSC needs to be updated along with the registered email id.

6. Click the Select Certificate button next to the New Digital Certificate field. Browse and select the new DSC.

7. Click the Update button. A message indicating DSC update will be shown.

Note: Alternatively, you can follow the steps to associate a DSC. On providing the details, the system will verify if the DSC is already registered and ask if you want to update the DSC. Select ‘Yes’ and DSC will be updated.
4.5 How can I update a registered DSC for external agency user or a bank official?

To update a registered DSC before or after the expiry date of the DSC, for external agency users or a bank official, follow the steps given below:

1. Login to the MCA21 application.
2. Click the MCA Services tab. The list of MCA services is displayed.
3. Under the DSC Services, click the Update DSC menu. The Update DSC page is displayed.
4. Click the link to Update DSC for EAU’s or bank officials.
5. The service can be accessed without login to the MCA21 application.
6. Enter the user ID and name for whom the DSC needs to be updated along with the registered email id.
7. Click the Select Certificate button next to the New Digital Certificate field. Browse and select the new DSC.
8. Click the Update button. A message indicating DSC update will be shown.

5 DIN SERVICES

5.1 Why do Directors need DIN?

Directors of a company need to obtain DIN as per Sections 2 (1) (d) of Companies (Appointment and Qualification of Directors) Rules, 2014

5.2 How can I enquire status of a DIN?

To enquire status of a DIN allotted through the approval of eForm DIR-3, follow the steps given below:
1. Click the MCA Services tab. The list of MCA Services is displayed.
2. Under the DIN Services, click the Enquire DIN Status service. The Enquire DIN status page is displayed.
3. In the DIN field, enter the DIN of the Director whose status you want to enquire.
4. Click the Submit button. The DIN Details are displayed.

5.3 How can I verify DIN PAN details of Director?

MCA has issued a circular whereby Income tax PAN has been made mandatory for all the Indian Directors. All existing Directors are expected to provide their Income tax details or to update their details as per Income tax PAN Database in case the same are not matching in the DIN database. This facility is provided to the user to verify the details of Director as per DIN database with PAN database. This facility shall be available to all public users without need to login to the MCA21 application.

To verify the PAN details for a Director with a valid DIN, follow the steps given below:
1. Click the MCA Services tab. The list of MCA Services is displayed.
2. Under the DIN Services, click the Verify DIN PAN Details of Director menu. The Verify DIN/DPIN-PAN Details of Director/Designated Partner page is displayed.
3. In the DIN/ DPIN field, enter the DIN of the Indian Director or the DPIN of the Indian designated partner.
4. Click the **Submit** button. The Details of Director/Designated Partner (**Director's/Designated Partner's Name, Father's Name and Date of Birth**) as per DIN/DPIN database appear.

5. In the **Income-tax permanent account number** field, enter PAN of Director or the designated partner.

6. Click the **Submit** button. Any one of the following messages is displayed.

   - In case no Income tax Permanent Account Number (PAN) exist against the entered DIN in the DIN database, user shall be displayed an error message- “Income tax PAN does not exist in the DIN database in respect of the DIN entered. Please file Form DIR- 6 and update the Income tax PAN details. In case Form DIR- 6 has already been filed, kindly wait till the same is Approved”

   - If entered PAN does not belong to the entered DIN as per DIN database then following error message shall be displayed to the user. “The Income tax PAN entered does not match with the Income tax PAN existing in respect of the DIN/DPIN as per MCA database”.

   - If entered PAN belongs to the entered DIN as per DIN database, then the DIN details (i.e. Name (in any order), Father’s name (in any order) and date of birth shall be verified from the PAN database.
     a. In case the DIN details are matching with PAN database, user shall be shown the following confirmation message: “DIN details are matching with the Income tax PAN database.”
     b. In case the DIN details are not matching with PAN database, user shall be shown the details as per PAN database. Only those fields shall be displayed which are not matching with the PAN database.

6 **MASTER DATA SERVICES**

6.1 **What is master data?**

Details about a company or a Director that are stored in the MCA database is referred to as master data. This data is based on the eForms filed by the company. You can view the details of companies or Directors by using the master data user services offered by MCA.

   c. In the Year of Filing drop-down list, select the year of filing.
   d. Click the Submit button to proceed.
6. Click the Add this Company to Cart button. More than one company can be added to the cart.
The details of the Cart are displayed.
7. Click the Make Payment button. The payment details are displayed.
8. Click the Pay Fee button.
9. On the payment screen, select the desired Payment Mode and for making payment of Fee. An
   SRN is generated and displayed.
Note: Refer the Payment Services section to learn to make payment using this payment option.

View Documents after Payment

The viewing of public documents after payment of fees is available only after login. You can view
the document only within 7 days after the payment has been confirmed. The documents are available
for viewing only for 3 hours after you have started viewing the first document of company. To view
public documents of a company for which payment has been made, follow the steps given below:

1. Login to the MCA21 application.
2. In MY WORKSPACE, under the Documents section, you can view the name of the company or
   LLP whose document you wish to view. Notice, the Expiry Time & Date of the document is
given. Remember, the document is available for viewing for one week in your Workspace. The
document is available for three consecutive hours from the time, you start viewing it for the first
time.
3. Click the DOWNLOAD button to view the document.
4. In case you had requested to view multiple documents of the same company or LLP, the
   Category List page is displayed to select the category of document to be viewed.
5. Select the Category of document you want to view.
6. The document details are displayed that include document name, document ID and year of filing
   the document.
7. Click the Document Name.
8. The document is displayed.
11.3 How can I get a certified copy of a public document for an LLP?

Public documents are available for viewing by public on payment of a requisite fee. You can make a request for required documents, pay the requisite fees and physical certified copy of the requested document is sent to the user by the respective RoC office. You have to place separate request for each company.

To view the documents available under this service, you can access the MCA Services > Document Related Services > Get Certified Copies menu from the MCA Home page. On using this service, you can also enquire about the fee to be paid to get a certified copy of the document. However, to place a request to get a certified copy of a document, you need to login to the MCA portal.

To place a request to get a certified copy of a Company/LLP document, follow the steps given below:
1. Login to the MCA21 application.
2. Click the MCA Services tab. The list of MCA Services is displayed.
3. Click the Get Certified Copies menu. The Get Certified Copies page is displayed with search criteria.
4. Select the relevant check box for the search criteria.
   **In case of a Company**
   a) In the Company Name field, enter the company name.
   b) In the Company CIN/FCRN field, enter the company CIN/FCRN.
   c) In the Company Registration Number field, select the RoC name with which company/LLP is registered from the drop-down list and enter the registration number.
   d) In the Country of Origin option, select the India or Foreign option. India would be selected by default.
   e) In the State drop-down list, select the state in which the company is registered.
   **In case of an LLP**
   a) In the LLP Name field, enter the company name.
   b) In the LLPIN/FLLPIN field, enter the LLPIN/FLLPIN of the LLP.
   c) In the Country of Origin option, select the India or Foreign option. India would be selected by default.
   d) In the State drop-down list, select the state in which the company is registered.
5. Click the Submit button. Based on the search criteria, the list of company/LLP matching the search criterion is displayed. The Company CIN/FCRN/LLPIN/FLLPIN is a hyperlink.
6. Click the Company CIN/FCRN/LLPIN/FLLPIN hyperlink. The page is displayed to select the document category and year of the public document. This page lists the different categories of documents available for companies and LLP under the Document Category dropdown.
   Some examples of document categories are Certificates, Charge Documents and Incorporation documents.
7. In the Year of Filing drop-down list, select the corresponding year for which document needs to be fetched.
8. Click the Submit button.
   Note: In case you have not logged in you are redirected to login page.
9. The documents matching the search results are listed. Select the document for which you want to get the certified copies.

10. Click the **Continue** button. The **Enter Document Details** page is displayed.

11. Select the **Page Nos.** option and the range of page numbers, in case you want to specify the page numbers of the document. Alternatively, select the **All Pages** option.

12. In the **Number of Copies** field, enter the number of copies of the document needed.

13. Click the **Get Fee Details** button. The **Fee Details** page is displayed with details of the fee. Notice, there are two types of fee- MCA fees and stamp duty.

14. Click the **Add to Cart** button. The **Cart Details** page is displayed. You can add more documents at this stage. Click the **View Payments** button.

15. The **Fee for Services** page is displayed. This page displays the total fees for getting the certified copies of the selected documents. The total fee includes MCA fee and stamp duty.

16. Click the **Make Payment** button. The **Payment Options** page is displayed.

17. Select the desired payment option making payment of the MCA Fee. Make the payment. SRN is generated and displayed. This SRN and payment is for the MCA fees.

**Note:** Refer the **Payment Services** section to learn to make payment using this payment option.
18. The Information page is displayed with one question - Do you want to pay stamp duty fee now?.

Click the Yes button to continue. The Payment Options page is displayed. Select the desired payment option making payment of the Stamp Duty. Make the payment. SRN is generated and displayed.

Note: Refer the Payment Services section to learn to make payment using this payment option.

In case you select the No button, it will be assumed that you will pay the stamp duty using the Pay Later payment option.

Note: Refer the Payment Services section to learn to make payment using the Pay Later payment option.

The Information page is displayed. Notice, there are two receipts – one for MCA fees and another for stamp duty.

11.4 How can I request for scanning of some public documents that are not visible through view public document user service?

You can request for scanning of some public documents that are not visible through view public document user service. After the request is placed, an MCA official scans the document available with MCA in paper form and uploads it in the MCA repository. Once the document is uploaded in the MCA repository, you can place a request to view the public document.

To place request for scanning of some public documents, follow the steps given below:
1. Login to the MCA21 application.
2. Click the MCA Services tab. The list of MCA Services is displayed.
3. Click the On Demand scanning menu. The Request for Scanned Documents page is displayed with search criteria.
4. In the Company / LLP Name field, enter the company / LLP name.
5. In the Company LLPIN/FLLPIN field, enter the LLPIN/FLLPIN. Alternatively, follow the steps below:
   a. Click the Search icon. The CIN/LLPIN Lookup page is displayed.
   b. In the Company / LLP Name field, enter the company/LLPIN name.
   c. Click the Search button.
   d. From the displayed results, select the Company / LLP Name option.
   e. Click the Select button. The Company CIN/FCRN field is populated with the company CIN/LLPIN.
6. In the Document Type drop-down list, select the relevant category.
7. In the Document description (for which on demand scanning request is being made) box, enter the description of the document to be scanned.
7. Click the Submit button. An acknowledgment message is displayed containing SRN, details of request, expected date by when the document shall be available in the view public documents (subject to approval by the concerned RoC).

12 FEE AND PAYMENT SERVICES

12.1 How can I enquire fees for paid services offered by Ministry of Corporate Affairs?

You can enquire the fee details for eForms.

- eForms
- View public Documents
- Certified copies

To enquire fees for a service, follow the steps given below:
1. Click the MCA Services tab. The list of MCA Services is displayed.
2. Under the Fee and Payment Services, click the Enquire Fee menu. The Fee Calculator page is displayed. The Fee Calculator page displays the fee applicable for viewing a public document and getting a certified copy of a public document. The page also allows you to check the fee relevant to eForms for a company or an LLP.
3. Select Company or LLP option.
4. Click the Select Form button.
5. In case you have selected the Company option, the Select the Company Form drop-down list is displayed. In the Select the Company Form drop-down list, select the eForm for which you want to enquire the details.
   OR
   In case you have selected the LLP option, the Select the LLP Form drop-down list is displayed. In the Select the LLP Form drop-down list, select the relevant eForm for which you want to enquire the details.
6. Click the Calculate Fee button. The fee is calculated based on eForm specific parameters. Based on the eForm, some additional parameters to calculate the fee are displayed. Provide inputs in these parameters.
7. Click the Calculate Fee button. The fee is calculated and displayed.

12.2 How can I track status of my payment?

To track payment status, follow the steps given below:
1. Click the MCA Services tab. The list of MCA Services is displayed.
2. Click the Track Payment Status menu. The Track Payment Status page is displayed with search criteria.
3. In the SRN field, enter the SRN of the payment made.
4. Click the Submit button. The payment details are displayed. If the payment status is Paid, the Copy of eForm Challan/Receipt/Acknowledgement button is displayed.
5. Click the Copy of eForm Challan/Receipt/Acknowledgement button to view the eChallan.
12.3 What are the payment modes available for me?

There are five payment modes:
- Online Payment – Credit/ Prepaid Cards
- Internet banking
- Offline Challan
- Pay Through NEFT
- Pay Later

The Credit/ Prepaid Cards option allows you to make a payment from your debit card or credit card. When you use this payment option, you are redirected to your bank’s website to provide your card details and make the payment. You cannot edit the payment amount when you use credit card payment option. The payment is made instantly.

The Internet Banking option allows you to make a payment from your online banking account directly. When you use this payment option, you are redirected to your bank’s website to provide your user credentials and make the payment. You cannot edit the payment amount when you use Internet Banking payment option. The payment is made instantly.

The Offline Challan option allows you to generate a challan and make payments at a bank branch. When you select this payment option, you need to go physically to one of the banks that accept offline challan payments, with printed copy of offline challan and makes payment at the bank. The payment needs to be made before the expiry date of the Offline challan.

The Pay Through NEFT option allows you to make a payment from your own online account to one of the MCA’s bank account.
The **Pay Later** option allows you to defer the payment and pay at a later date using any one of the two online payment modes - **Credit/Prepaid Cards** or **Internet Banking**.

### 12.4 What is the payment process for **Offline Challan** payment option?

1. The Registered User/Business User completes a transaction and an SRN is generated.
2. The Registered User/Business User selects the **Offline Challan** payment option in the MCA21 application.
3. Offline challan is generated with an expiry date.
4. The Registered User/Business User prints the offline challan and goes to one of the banks that accept offline challan payments, with printed copy of offline challan and makes payment at the bank.
5. The payment needs to be made before the expiry date of the Offline challan.
6. Bank updates MCA about the payment.
7. The payment status of the SRN is changed to **Paid** in the MCA21 application.

### 12.5 What is the payment process for **Pay Through NEFT** payment option?

1. The Registered User/Business User completes a transaction and an SRN is generated.
2. The Registered User/Business User selects the **Pay Through NEFT** payment option in the MCA21 application.
3. NEFT challan is generated with detailed instructions to make payment.
4. NEFT challan is generated with an expiry date.
5. The Registered User/Business User transfers money from his/her account to one of the MCA accounts as mentioned in the NEFT challan within validity period of the NEFT challan. UTN is generated.
6. Bank updates UTN details to MCA.
7. The Registered User/Business User links UTN with SRN using the Pay Through NEFT user service available in the MCA21 application.
8. This payment has to be made within two days of the bank reporting the UTN details to MCA.
9. The payment status of the SRN is changed to **Paid** in the MCA21 application.

After a user has made a NEFT payment from his/her banks website, the payment needs to be linked with the SRN. To link an NEFT payment with your SRN, perform the following steps.

1. Login to the MCA21 application.
2. Click the **MCA Services** tab. The list of MCA Services is displayed.
3. Under the **Fee and Payment Services**, click the **Link NEFT Payment** menu. The **Link NEFT Payment** page appears.
4. Click the **Download NEFT User Guide** link. Save and read the guide carefully.
5. In the **SRN** field, enter the SRN of the transaction for which you want to make the payment.
6. In the **Date of SRN** field, enter the date on which the SRN was generated.
7. In the **Amount of SRN** field, enter the amount of the SRN to be paid.
8. In the **Unique Transaction Number (UTN)** field, enter the unique transaction number that you received when you made the payment at your bank’s website to MCA’s bank account.
9. In the **User Account Number** field, enter the account number from which you made the online payment.
10. Click the **Submit** button. The Transaction Receipt is generated.

**12.6 What is the payment process for Pay Later payment option?**

![Diagram of the payment process for Pay Later payment option]

After the payment for an SRN was deferred by selecting the **Pay Later** payment option, the payment needs be made. To make a payment for a SRN, perform the following steps:

1. Login to the MCA21 application.
2. Click the **MCA Services** tab. The list of MCA Services is displayed.
3. Under the **Fee and Payment Services**, click the Pay Later menu. The Pay Later page appears.
4. In the **SRN** field, enter the SRN of the transaction for which you want to make the payment.
5. Click the **Submit** button. The Pay Later: Fee For Services page appears.
6. Click the **Pay Fee** button. The Payment Options page appears.
7. Select one of the two available **Online** payment modes.
8. Click the **Submit** button. The Online Payment page is displayed.
9. Click the **I Accept** button. You will be redirected to your bank’s website to make the payment. The payment status of the SRN is changed to **Paid** in the MCA21 application.

**12.7 How can I pay miscellaneous fee?**

At times, you may need to pay additional fee for certain service requests. This may be penalty or any fee pursuant to court order. **To Pay Miscellaneous fee, follow the steps given below:**

1. Login to the MCA portal.
2. Click the **MCA Services** tab. The list of MCA Services is displayed.
3. Under the **Fee and Payment Services**, click the **Pay Miscellaneous Fee** menu. The Pay Miscellaneous Fee page is displayed.
4. In the **Pay Fees For** drop-down list, select the option for which you want to pay the miscellaneous fee.
5. Based on the option selected in the **Pay Fees For** drop-down list, fields will appear on the page. Enter the details.

6. Click the **Pay Fee** button. The **Payment Options** page is displayed.

7. Select the payment option. Note: Refer the **Payment Services** section to learn to make payment using this payment option.

8. You will be redirected to your bank’s website to make the payment. After the payment is made the Transaction Receipt is generated.

### 12.8 How can I pay stamp duty?

You have the facility to pay stamp duty online. To make a payment of stamp duty through MCA21 system, follow the steps given below:

**Note:** Stamp duty for LLP Agreement should not be paid on MCA Portal. The Stamp Duty payable for LLP Agreement is a State subject and same may be paid as per the State Stamp Act. Till the time specific Stamp Duty is prescribed in respective Stamp Act, the Stamp duty on LLP Agreement may be paid as per the stamp duty payable on partnership agreement in view of the Finance Bill, 2009.

1. Login to the MCA portal. When you login, select the **Company** option.
2. Click the **MCA Services** tab. The list of MCA Services is displayed.
3. Under the **MCA Services** tab, click the **Pay Stamp Duty** menu.
4. The **Pay Stamp Duty Fee** page is displayed. In the **SRN** field, enter the SRN for which you want to make the payment.
5. Click the **Submit** button. The SRN details are displayed. If the SRN pertains to additional stamp duty payment, enter the additional fee details on this page.
6. Click the **Pay** button. The **Payment Options** page is displayed.
7. Select the payment option. Note: Refer the **Payment Services** section to learn to make payment using this payment option.
8. You will be redirected to your bank’s website to make the payment. After the payment is made the Transaction Receipt is generated.
13 INVESTOR SERVICES

13.1 How can I search Unclaimed/Unpaid Amount for an investor?

You can search for unclaimed/unpaid amount of an investor on the MCA portal. To search unclaimed/unpaid amount of an investor, follow the steps given below:

1. Access the MCA21 application.
2. Under the MCA Services tab, click the Investor Services menu. The Investor Education and Protection Fund (IEPF) page is displayed.

3. Click the Search Unclaimed/Unpaid Amount link. The search for Investor Wise Unclaimed and Unpaid Amounts page is displayed.
4. In the Investor Name field, enter the First Name, Middle Name and Last Name of the investor.
5. In the Father/Husband Name field, enter the name of father or husband as mentioned in the company with which investment is made.
6. In the Folio Number field, enter the folio number as given in the share certificate.
7. In the DP id-Client Id-Account Number field, enter the DP id-Client id-Account number without any spaces and in the format: DP id-Client id-Account number with each number separated by hyphens.

Note: You can search using any of the following combinations:

- Investor Name and Father/Husband name
- Folio Number (should be same as per certificate)
8. Click the **Search** button. The search results are displayed.
9. In the search results, under the **Investor Name** column, click the **Investor Name**. The investor details are displayed.

10. In the search results, under the **S.No** column, select the checkbox of the investor and click the **Submit** button.
11. The unclaimed and unpaid amount of the investor are displayed. You view the details.
